♦ Host an ice-cream or pizza party for the classroom that raises the most money for Komen Houston
♦ Create your own fundraiser. The possibilities are endless!

Susan G. Komen® Houston is committed to saving lives locally and fighting breast cancer globally. Komen Houston is the only local breast cancer nonprofit attacking the disease on all fronts through education, screening, treatment, support, advocacy and research and has set a Bold Goal to reduce the current number of breast cancer deaths by 50 percent by 2026. The organization serves women and men throughout Harris and its surrounding six counties battling breast cancer by removing barriers to care and eliminating health disparities.

Established in 1990 by passionate volunteers, Komen Houston has granted more than $53 million locally for breast cancer education, screening, treatment and research.

Join Komen Houston’s Schools for the Cure program to contribute to fight against breast cancer in your local community.
Sports for the Cure

Sporting events can raise funds through:
- Ticket sales
- Concession stands
- Selling pink event t-shirts or merchandise
- Collecting donations
- Other ideas are strongly encouraged so don't be afraid to have fun and get creative!

Take a moment at half time to honor breast cancer survivors and remember those we have lost. Your Pink Out event will support Komen Houston's mission to save lives and end breast cancer forever in our community.

Register your event online at houston.info-komen.org/DIY for access to an online fundraising page for your school and exclusive fundraising tools to help you maximize your Schools for the Cure impact project!

Pink Out Games

Invite your school sports team to host a Pink Out game where everyone wears pink to show their support and raise money towards the fight against breast cancer.

Race for the Cure

Form a Team and Fundraise!

Organizing a Race team is a fun and competitive way to get involved with the Susan G. Komen Houston Race for the Cure®. Every year we have dozens of teams participate in the fundraising aspect of the event as well as the Race itself. Teams are made up of families, friends, co-workers, and students. A great way to kick-off our fundraising is to start a team with your school.

On Race day, teams with the highest fundraising amounts will be recognized. Race teams can come up with creative team names and t-shirts to set themselves apart from other teams as well.

Register for the race and start your team at komen-houston.org
